EGHOLM PARK RANGER 2150

COMPACT UTILITY MACHINE

UTILITY MACHINE

MULTIPLE TASKS

Overview

The Park Ranger 2150 is the most attractive choice within the compact machine class. With 19 tailor-made attachments available, the machine performs every task as well as (or better) than any single-purpose machine on the market. Its compact dimensions and great manoeuvrability give you easy access to narrow areas and places. It also has a versatile handling of all outdoor assignments.

Benefits

- Multi-Functional Use
- Change Attachments in One Minute
- 3 Metre Turning Radius
- Four Wheel Drive
- Lightweight for Sensitive Surfaces
- Powerful Engine
- Efficient & Safe

Specification

ACCESSORIES

EGHOLM PARK RANGER 2150

Cabin

ROPS approved cabin including lights, beacon, mirrors, opening side windows and roof, cabin light, heating.

Seat - Nappa COBO

Air-suspended seat. Seat and back are covered with nappa leather. Easy, continuously variable adjustment of air suspension to allow the operator to achieve a comfortable working environment.

Shovel & Broom Holder

A little smart option that provides room to bring a shovel and a broom on the machine.

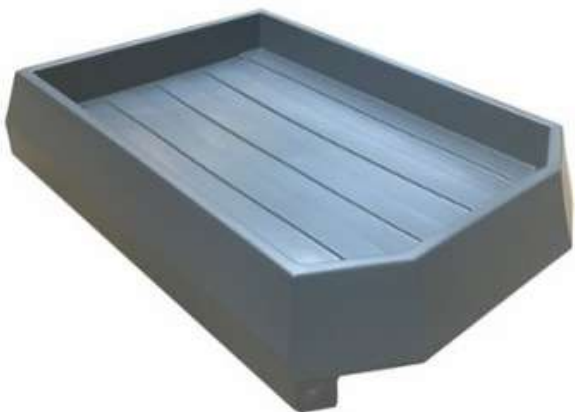

ACCESSORIES

EGHOLM PARK RANGER 2150

Large Radiator Cover

Fit your Park Ranger 2150 with the large radiator cover when cutting grass, as the cover protects the engine against overheating.

Load Carrier

A practical little load carrier that provides room to transport hand tools.

ATTACHMENTS

EGHOLM PARK RANGER 2150

Suction Sweeper

The machine can be fitted with a complete suction sweeper unit offering professional sweeping performance.

3rd Side Brush

With the optional 3rd brush the suction sweeper can additionally sweep under elements like benches, and clean very efficiently around other obstacles. With the compact dimensions and low turning radius, you can use the machine in areas with space constraints.

Weed Brush

The weed brush for paved areas - enemy of weed, friend of the environment.

ATTACHMENTS

Fight weeds with the environmental rake.

Leaf Suction Unit

The leaf suction unit efficiently cleans up after defoliation and hedge trimming.

ATTACHMENTS

EGHOLM PARK RANGER 2150

Tipping Shovel

The tipping shovel makes light work of transporting gravel, sand or aggregates and saves the operator many lifts during the working day.

Tipper Trailer

The tipper trailer is designed to make light work of transporting bulk loads such as park and garden refuse.

Load Carrier with Tip

The load carrier is tailor-made for your Park Ranger 2150, and provides for efficient transportation of sand, soil and park and garden waste to and from park areas.

ATTACHMENTS

EGHOLM PARK RANGER 2150

Snow Sweeper

The snow sweeper is perfect for the first snow fall.

Snow Blower

The Park Ranger 2150 snow blower gives extra power for clearing snow.

Snow Plough

The snow plough handles up to 350 mm of heavy snow.

ATTACHMENTS

EGHOLM PARK RANGER 2150

Snow V-Plough (Steel Scraper)

When heavy and icy snow covers the ground, you need the snow V-plough with steel scraper edge close at hand.

Snow V-Plough (Rubber Scraper)

When heavy and icy snow covers the ground, you need the snow V-plough with Vulkollan scraper edge close at hand.

Salt & Sand Spreader

Winter weather and ice on the ground mean salt and sand, and the salt and sand spreader is perfect for the job.

WHO WE ARE

CLENLI DIRECT

Who Are Clenli Direct?

Founded in 1993, Clenli Direct is the leading provider of innovative cleaning solutions in Ireland. We offer innovative solutions for janitorial cleaning, cleaning machinery, cleaning robotics, window cleaning, carpet cleaning, and much more. Our expert team can install, maintain, and provide training for any cleaning equipment we provide.

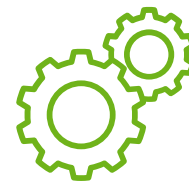

Based in Dublin 11, we are positioned in close proximity with all major roads in Ireland, including the M50, N7, M4, and M1. Through our prestige transport system, we have an exceptional record for delivering on time. We offer the best cleaning solutions to any requirements you may have, no matter how big or small. Contact us today to see what we can do for you!

OUR VALUES

Reliability

We value reliability. Through our location, our partnerships with UPS and DSV, and our own large fleet of in-house delivery trucks, we have an exceptional record for delivering on time.

Expertise

Our expertise is unmatched. Every member of our service team receives extensive training on new equipment so that they can answer your questions and offer solutions.

Innovation

We strive to always do better. We are always on the lookout for new innovative solutions for our clients cleaning requirements.

Quality

We understand the importance of quality. That is why every piece of equipment we provide has been sampled, tested, and handpicked by our team.
